

Wireless USB Adapter

Images may differ from your actual product
©2023 MERCUSYS 7107500301 REV1.2.0

1 Connect to a Computer

Option 1: Directly

Option 2: Via the USB Extension Cable (If provided)

2 Install Driver

Follow **Method 1** if the adapter supports Plug and Play feature. If not, please try **Method 2**.

Method 1: Plug and Play

- This adapter supports **Plug and Play** feature. Plug the adapter in and then it is ready to use.
- If your operating system does not support this feature, follow the steps below:
 - a. Download the driver or check the new release at www.mercusys.com/support.
 - b. Unzip the downloaded folder and run the Setup.exe.
 - c. Follow the instructions to complete the installation.

Tips:

- If you can't install the driver successfully, disable the antivirus software and firewall, then try again.
- If an unknown publisher message pops up, select Yes to continue.
- If Windows User Account Control requires admin credentials, type user name and password of your Windows administrator account.

For more driver installation support, refer to **Troubleshooting > T2**.

Method 2: via Internal Driver Installation

- a. Go to **My Computer** or **This PC**.
- b. Find out **Mercusys** disk then run the **SetupInstall.exe** to start driver installation.
Note:
If you cannot find the Mercusys disk, download the driver at www.mercusys.com/support.
- c. Follow the instructions to complete the installation.

3 Join a Wireless Network

a. Click the network icon () on the taskbar.

b. Select your Wi-Fi network, click **Connect** and enter the password when prompted.

Troubleshooting

If you have problems during the installation, please refer to the following online FAQs.

T1. Check if the Driver is Successfully Installed:

<https://www.mercusys.com/faq-262>

T2. Can't Install the Driver in the Windows Systems:

<https://www.mercusys.com/en/faq-817>

T3. Can't Find the Hardware Version of the Adapter:

<https://www.mercusys.com/en/faq-813>

T4. How to Manually Install / Update Adapters on

Windows 10: <https://www.mercusys.com/faq-265>
