

# H3c **3K**

## Wi-Fi Smart Home Camera

### Your reliable security option, now sharper and smarter

The H3c 3K, a versatile guardian suitable for most homes and buildings, can render every detail in large environments with stunning clarity in 3K, providing 24/7 automatic protection with useful AI-powered detection and active defense features. It can smartly distinguish people and vehicles from other objects, alert you remotely and provide on-site security with lights and siren. Reliably made in multiple levels, it ensures easy installation but long-lasting performance.

3K Resolution

Color Night Vision

Two-Way Talk

Customizable Voice Alerts

AI-Powered Human / Vehicle Shape Detection

Waving-Hand Recognition & Control

Customizable Detection Zone

Active Defense with Siren & Strobe Light

IP67 Weatherproof Design

H.265 Video Technology

Supports MicroSD Card (Up to 512 GB) & EZVIZ CloudPlay Storage<sup>1</sup>

Smart Integration with Google Assistant & Amazon Alexa<sup>2</sup>

# Crisp 3K

## Capture every detail in impressive 3K resolution

---

Blurry footages are now history. The camera delivers 3K video, ensuring that you do not overlook even the tiny details. Whenever and wherever you are, you can easily use your mobile phone to understand what's going on without worrying about unknown activities.

Up to **30M** Color Night Vision

## See in vivid colors, even at night

---

As an outdoor camera, the H3c 3K provides a pretty sharp IR night vision. Additionally, it uses two built-in spotlights to maintain a colorful vision that's far-reaching up to 30 meters. What's better? You can set the camera to the "smart night vision" mode so it automatically switches from black-and-white to full-color upon motion detection.

# Useful AI features for smarter controls

AI-Powered Human / Vehicle Shape Detection

Waving-Hand Recognition & Control

Customizable Detection Zone

FREE No Subscription Fee

## Receive smarter notifications

The camera's integrated AI chip helps it detect people and vehicle motions in particular, so you know immediately if someone sets foot in your driveway, or parks on your property area without permission. It reduces alerts caused by falling leaves or flying insects, so you don't get a flood of irrelevant notifications.

## Ring up a call by simply waving your hand

Your family members or visitors can initiate a video call to your phone<sup>3</sup> by waving at the camera. Whenever your kids come home from school, they can let you know.

## Communications can be this easy

Enjoy two-way audio by simply using your smartphone. Or, pre-record a 10-second voice message that automatically plays upon human motion detection.

## A vigilant guard who works around the clock

The H3c 3K integrates EZVIZ's beloved active defense function to provide an extra layer of protection. Upon detection of intruders, the camera will set off a loud siren and flash two spotlights<sup>4</sup> to warn them away.

## Protection lasts, even in harsh weathers

---

Thanks to its well-built camera body, the H3c 3K is IP67-rated to withstand even the toughest weather conditions – whether it's rainy, stormy or snowy.

## Smart integration, hands-free control

---

You can integrate the H3c 3K to your existing smart home system. Voice-enable the live viewing with “Hey Google” or “Alexa”<sup>2</sup> to check what’s happening on a bigger screen.

## Extra-Large, safe storage options that you can trust

---

You can secure your recorded videos on a local microSD card of up to 512 GB, or subscribe to EZVIZ CloudPlay for fully-encrypted cloud storage.<sup>1</sup>

Supports MicroSD Card

Supports EZVIZ CloudPlay Storage

## Enhanced viewing pleasure with smaller video files

---

Compared against the prevailing H.264 video compression technology, H.265 creates a more fluid viewing experience with recorded footage. Meanwhile, you won't have to worry about large video files taking up too much of your storage space – H.265 technology can reduce their sizes by up to 50%<sup>5</sup>.

# One app for everyday, everything

EZVIZ App will always connect you to your home, even if you are far away from it.

Available on Phone / Pad / TV 

-  Instant Alert
-  Detection Zone
-  Remote Control
-  Video History
-  Live View with 8x Zoom
-  Connected Home

EZVIZ App interface images are for illustrative purposes only.

1 A local storage card must be purchased separately. Cloud storage service is only available in certain markets. Please verify the availability before making any purchase.

2 Google Assistant is not available in some languages and countries.

3 The video call via EZVIZ App can only be triggered when the camera detects a waving-hand at the distance of 3 to 5 meters in front of it.

4 The spotlights will not flash when the color night vision mode is enabled.

5 Data from EZVIZ Lab's test results under standard conditions. The video compression efficiency will vary with the frequency and complexity of the activity captured, as well as other environmental factors.

6 Users can draw in rectangles to customize up to 4 privacy zones.

# Specifications CS-H3c-R100-1J5WKFL

## Camera

Image Sensor	1/2.7"Progressive Scan CMOS
Minimum Illumination	0.01 lux @(F1.6, AGC ON) ,0 Lux with IR
IR Night Vision Distance	Up to 98 ft / 30 m
Shutter Speed	Self-adaptive shutter
Lens	4mm @ F1.6, view angle:104°(Diagonal), 87° (Horizontal), 53° (Vertical) 2.8mm @ F1.6, view angle: 125°(Diagonal), 103° (Horizontal), 58° (Vertical)
Lens Mount	M12
DNR	3D DNR
WDR	Digital WDR
Day / Night Switch	IR-Cut filter with auto-switching

## Video & Audio

Max. Resolution	2880 × 1620
Frame Rate	Max: 30fps; Self-Adaptive during network transmission
Video Compression	H.265 / H.264
Video Bit Rate	Quad-HD; Full HD; Hi-Def; Standard
Audio Bit Rate	Self-Adaptive

## Network

Standard	IEEE802.11b, 802.11g, 802.11n
Frequency Range	2.4 GHz ~ 2.4835 GHz
Channel Bandwidth	Supports 20 MHz
Security	64 / 128-bit WEP, WPA / WPA2, WPA-PSK / WPA2-PSK
Transmission Rate	11b: 11Mbps, 11g: 54Mbps, 11n: 144Mbps
Wi-Fi Pairing	AP Pairing
Protocol	EZVIZ Cloud Proprietary Protocol
Interface Protocol	EZVIZ Cloud Proprietary Protocol
Wired Network	RJ45 × 1 (10M / 100M Adaptive Ethernet Port)

## Function

Detection	Motion Detection, AI-Powered Human Shape Detection, Waving-Hand Detection
Customized Alert Area	Supports
Integration	Works with Alexa, Google Assistant
General Function	Anti-Flicker, Dual-Stream, Heart Beat, Mirror Image, Password Protection, Watermark

## Storage

Local Storage	Supports microSD card (Up to 512 GB)
Cloud Storage	Supports EZVIZ CloudPlay storage (Subscription required)

# Specifications CS-H3c-R100-1J5WKFL

## General

Operating Conditions	-22°F to 122 °F (-30°C ~ 50°C); Humidity 95% or less (non-condensing)
IP Grade	IP67
Power Supply	DC 12V / 1A
Power Consumption	MAX. 9W
Dimensions	72 × 84 × 152 mm (2.83 × 3.31 × 5.98 inch)
Packaging Dimensions	227 × 100 × 92 mm (8.94 × 3.94 × 3.62 inch)
Weight(With Package)	539 g (19.01 oz)
Net Weight	330 g (11.64 oz)

## In the box

- H3c 3K Camera
- Drill Template
- Screw Kit
- Waterproof Kit
- Power Adapter
